What is Judicial Shadowing?

We hope that the scheme will provide you with a unique opportunity to gain insight and to demystify judicial office by shadowing a typical working day with a serving member of the judiciary.

It is supported by the Lord Chief Justice's Office, the Bar Council and Law Society, the Northern Ireland Courts and Tribunals Service and the Northern Ireland Judicial Appointments Commission.

Who can apply?

How to apply?

Download an Application Form at www.nijac.gov.uk **or** email judicialappointments@nijac.gov.uk **or** phone 028 90 569100.

Once NIJAC has received your Application Form you will receive an email confirming receipt.

NIJAC will then contact your professional body to verify your membership and to enquire as to whether there is any known reason why it would not be appropriate for you to participate in the scheme.

Once satisfactory checks are completed your application will be passed to the Court, Commission or Tribunal of your choice. They will contact you directly to arrange the date and location of the shadowing placement.

They will endeavour to accommodate your request (bearing in mind demand and, should there be any sensitive cases, the need to secure parties' permissions).

Proof of Identity

You are required to take proof of identity and to adhere to all security and health and safety procedures at the Court, Commission or Tribunal.

Evaluation

We would appreciate feedback on your experience so we can further promote and improve the Judicial Shadowing Scheme.

As such, we would ask that you complete an Evaluation Form and return it to us once you have completed your shadowing placement.

The Evaluation Form can be downloaded from www.nijac.gov.uk.
